## **POSITIVE PROFIT ALERT**

This announcement is made by Success Dragon International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group (the “**Management Accounts**”) for the six months ended 30 September 2025 (the “**Current Period**”) and assessment of the latest information currently available to the Board, the Group is expected to record a net profit attributable to owners of the Company of approximately HK\$25.7 million for the Current Period as compared with a net loss attributable to owners of the Company of approximately HK\$3.4 million for the six months ended 30 September 2024 (the “**Last Period**”).

The expected turnaround from a net loss in the Last Period to a net profit in the Current Period is mainly attributable to the increase in revenue in gold ore processing in Henan province during the Current Period. Such increase was due to the completion of infrastructure constructions in the mining zones and the resumption of gold ore production in Henan.

The Company is still in the process of finalising the unaudited consolidated result for the Current Period. The information contained in this announcement is only based the information currently available to the Board and the preliminary review of the Management Accounts for the Current Period, which have not been reviewed by the audit committee of the Company and may be subject to adjustments. The final unaudited consolidated results of the Group for the Current Period may be different from the figures and information disclosed in this announcement. Details of the Group's financial information will be disclosed in the results announcement of the Company for the Current Period, which is expected to be published on 28 November 2025.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in securities of the Company.**
